

During 2015 Prosegur has continued to develop an **active communication policy** in order to ensure the greatest transparency and provide the best information possible to financial markets; making various presentations to institutional investors and analysts, both in Spain and in Europe as well as in the United States. Throughout the year, the following events have been held:

- 72 meetings with analysts
- 275 meetings with investors
- 56 conference calls
- 5 roadshows

In addition, contact has been maintained with **proxy advisors** in order to analyze all aspects related to the company's governance, emphasizing the commitment to open communication channels.

The **latest consensus on recommendations** of the 17 analysts covering the company is available in the relevant section of the corporate website.

In order to provide timely financial information to the widest possible audience, without geographical limitations, Prosegur presents its quarterly results via the **webcast** on its website.

In addition, it regularly reports the main developments relating to the Company and the industry through a **newsletter**. In the "**Shareholders and Investors**" section of its website ([www.prosegur.com/corp/Accionistas-Inversores/](http://www.prosegur.com/corp/Accionistas-Inversores/)) various tools are made available to the investment community to monitor the evolution of shares and updated information about events. Among other things, the following can be found in the referenced section of the website:

- Key figures, financial and stock market information.
- Information on Corporate Governance.
- Quarterly financial statements
- Information regarding dividends.
- Latest presentations to investors and analysts.
- The Investor's agenda, with the annual calendar of events scheduled with analysts and investors, and scheduled dates for the publication of quarterly results.
- Analysts recommendations regarding Prosegur.
- Information about the Shareholders Meeting
- Annual report in PDF format for easy use.

In order to answer questions and provide any information that its shareholders may need, Prosegur puts a **telephone number** at their disposal: +34 915 895 506 and an **e-mail address**: [accionistas@prosegur.com](mailto:accionistas@prosegur.com).
